PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 11/10/2021.

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number **Nature of Noncompliance**

4 **Special Condition # 4:** You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: The offender is alleged to have violated special condition number 4 by ingesting a controlled substance, Adderall, on or about February 11, 2022.

On May 1, 2020, the offender's conditions of supervision were reviewed and he signed said conditions acknowledging an understanding of his requirements. Specifically, he was made aware by the U.S. probation officer that he must abstain from the use of illegal controlled substances.

On February 16, 2022, Mr. Bowling informed this probation officer that he ingested an Adderall pill. He further acknowledged he does not have a prescription for said substance and indicated the prescription belonged to his girlfriend.

- 5 **Special Condition # 4:** You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: The offender is alleged to have violated special condition number 4 by ingesting a controlled substance, methamphetamine, on or about February 15, 2022.

On May 1, 2020, the offender's conditions of supervision were reviewed and he signed said conditions acknowledging an understanding of his requirements. Specifically, he was made aware by the U.S. probation officer that he must abstain from the use of illegal controlled substances.

On February 15, 2022, Mr. Bowling submitted a urine specimen at Pioneer Human Services (PHS) that tested presumptive positive for methamphetamine. At that time, he signed a denial form indicating he had not ingested said substance. It should be noted, the aforementioned urine specimen was confirmed positive for methamphetamine on February 26, 2022.

- 6 **Special Condition # 3:** You must undergo a substance abuse evaluation and, if indicated by a licensed/certified treatment provider, enter into and successfully complete an approved substance abuse treatment program, which could include inpatient treatment and aftercare upon further order of the court. You must contribute to the cost of treatment according to your ability to pay. You must allow full reciprocal disclosure between the supervising officer and treatment provider.

Supporting Evidence: The offender is alleged to have violated special condition number 3 by failing to attend substance abuse treatment sessions at PHS on January 6, and March 1, 2022.

On May 1, 2020, the offender's conditions of supervision were reviewed and he signed said conditions acknowledging an understanding of his requirements. Specifically, he was made aware by the U.S. probation officer that he must undergo a substance abuse evaluation and complete recommended treatment and aftercare.

This officer received email correspondence from PHS indicating Mr. Bowling failed to attend scheduled substance abuse treatment sessions on January 6, and March 1, 2022.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court.

I declare under penalty of perjury that the foregoing is true and correct.
